Our Governance

Our Governance Structure

Our Governance structure is made up of the **Members** who founded the Trust and the **Board of Directors** who are the accountable body for the Trust. Each Academy has its own **local governing body** which provides local intelligence to the Board. There are two sub Committees, the **Finance and Operations Committee** and the **Audit Committee**. The **Academy Executive Principals'** group meets monthly with the CEO and the **Business Managers'** group meets termly with the Chief Operations Officer.

Our Members

The members of the Trust are Carol Jones, David Heywood, Paul Richards, Mark White and John Patino. The members can control changes in the constitution (subject to DfE approval) and other fundamental decisions relating to the academy trust. Members also have the right to remove a Director by ordinary resolution (a vote passed by a simple majority of members).

Our Directors

Our Directors are the accountable body for the Trust. They are responsible for:

- Determining the mission, ethos and key strategic priorities for the Trust.
- Setting targets for pupil and student achievement prepared and proposed by each academy.
- Agreeing the budgets prepared and proposed by each academy.
- Agreeing a curriculum statement for the Trust and supplementary statements for each academy should they be required.
- Appointing Principals and SLT posts.
- Reviewing the performance and pay of the Chief Executive Officer and Principals in conjunction with the Chairs of the local governing bodies.

The Board of Directors is comprised of the CEO, up to 5 Academy Council Chairs, up to 5 co-opted Representatives, and further appointments made by the Members. All Principals are invited to attend meetings with full speaking rights. This Board meets a minimum of four times each academic year and otherwise as required. Any additional meetings require at least 5 days' notice. The quorum is half of the board rounded down and meetings are minuted by the Clerk. The Chair is responsible for drawing up the agenda and sending it out to board members with all associated papers at least 7 days in advance. Should the Chair or Vice Chair not be present at the meeting, a temporary Chair should be elected for the meeting.

Our Local Governing Bodies

Our Academy local governing bodies play an important role in supporting the Board of Directors. They are responsible for:

- Ensuring the academy is operating within the mission and ethos of the Trust and contributing to the Trust's key strategic priorities
- Proposing targets to the board for student and pupil achievement and monitoring progress against the targets.
- Monitoring the quality of teaching and learning, attendance, behaviour and safety, within the academy and progress against the academy improvement plan.
- Engaging with wider academy activities as a means of monitoring overall quality.
- Appointing all staff, except Principals, and SLT posts.

The membership is made up of 12 governors appointed by the Board of Directors. This includes the CEO, who is appointed by the board, the Principal, 2 staff members, 2 parents and 2 business representatives.

The local governing bodies meet for a minimum of three times each academic year and otherwise as required. Any additional meetings require at least 5 days' notice. **There is an expectation that academy governors attend 'events' between meetings which enable them to develop a clear picture of the quality of provision.**

The quorum is half of the board rounded down and meetings are minuted by the Clerk. The governing body will elect a vice Chair on an annual basis.

The Directors will be responsible for drawing up the agenda and sending it out to academy governors at least 7 days in advance. Should the Chair or Vice-Chair not be present at the meeting, a temporary Chair should be elected for the meeting.

ANNEX 9 – CODE OF PRACTICE FOR THE BOARD OF DIRECTORS, COMMITTEE AND LOCAL GOVERNING BODIES OF THE COLLEGE ACADEMIES TRUST

The Role of Directors, Committee Members and Governors

The Board of Directors is a corporate body and the Local Governing Bodies are sub-committees of the Board of Directors, which means:

- No director or academy governor can act on his/her own without proper authority from the Board of Directors.
- Although appointed through different routes (i.e. parents, staff, Board of Directors), the overriding concern of all directors and academy governors has to be the welfare of the schools and all the pupils and students who attend them

Code of Conduct for Directors, Committee members and Academy Governors

- We understand the purpose of the Directors, Committee Members and Academy Governors.
- We are aware of and accept the Nolan seven principles of public life: see appendix 10.
- We accept that we have no legal authority to act individually, except when the Board of Directors has given us delegated authority to do so, and therefore we will only speak on behalf of the Board of Directors, Committee Members or Local Governing Body when we have been specifically authorised to do so.
- We have a duty to act fairly and without prejudice, and in so far as we have responsibility for staff, we will fulfil all that is expected of a good employer.
- We will encourage open government and will act appropriately.
- We accept collective responsibility for all decisions made by the Board of Directors, Committee Members and Local Governing Bodies. This means that we will not speak against majority decisions outside the Directors, Committee Members or Local Governing Body meetings.
- We will consider carefully how our decisions may affect the community and other schools.
- We will always be mindful of our responsibility to maintain and develop the ethos and reputation of our school. Our actions within the schools and the local community will reflect this.
- In making or responding to criticism or complaints affecting the school we will follow the procedures established by the Board of Directors.

Commitment

- We acknowledge that accepting office as a director, Committee Member and or an academy governor involves the commitment of significant amounts of time and energy.
- We will each involve ourselves actively in the work of the board of directors, Committees and or local governing bod, and accept our fair share of responsibilities, including service on strategic groups.

- We will make full efforts to attend all meetings and where we cannot attend explain in advance in full why we are unable to.
- We will get to know the school well and respond to opportunities to involve ourselves in school activities.
- Our visits to school will be arranged in advance with the Principal and staff and undertaken within the framework established by the academy and agreed with the Principal.
- We will consider seriously our individual and collective needs for training and development, and will undertake relevant training.
- We are committed to actively supporting and challenging the Principal.

Relationships

- We will strive to work as a team in which constructive working relationships are actively promoted.
- We will express views openly, courteously and respectfully in all our communications with other directors, Committee Members and or academy governors.
- We will support the Chair in their role of ensuring appropriate conduct both at meetings and at all times.
- We are prepared to answer queries from other directors and academy governors in relation to delegated functions and take into account any concerns expressed, and we will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- We will seek to develop effective working relationships with the principal, staff and parents, and other relevant agencies and the community.

Confidentiality

- We will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or students, both inside or outside school.
- We will exercise the greatest prudence at all times when discussions regarding school business arise outside a board of directors, committee meetings or academy local governing body meetings.
- We will not reveal the details of any board of director, committee or local governing body vote.

Conflicts of interest

- We will record any pecuniary or other business interest that we have in connection with the Academy Trust's business in the Register of Business Interests.
- We will declare any pecuniary interest - or a personal interest which could be perceived as a conflict of interest - in a matter under discussion at a meeting and offer to leave the meeting for the appropriate length of time.

Breach of this code of practice

- If we believe this code has been breached, we will raise this issue with the Chair and the Chair will investigate; the directors should only use suspension as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.

ANNEX 10 – SEVEN PRINCIPLES OF PUBLIC LIFE

1. **Selflessness**

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other benefits for themselves, their family or their friends.

2. **Integrity**

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

3. **Objectivity**

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

4. **Accountability**

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

5. **Openness**

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

6. **Honesty**

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

7. **Leadership**

Holders of public office should promote and support these principles by leadership and example.

Powers and Duties of Local Governing Bodies and Principals

The delegation of local financial powers above to each academy is based on the following:

- Group A – where there is evidence of strong controls historically and the academy is able to fully comply with operations and controls as per the Academies Financial Handbook. It is likely that these academies will be rated Good or Outstanding by Ofsted.
- Group B – where there is some historical evidence of good control, but the academy is unable to fully comply with the operations or controls as per the Academies Financial Handbook, due to being new to the MAT or does not have personnel (staff or governors) with sufficient skills. It may also apply to academies that have been rated as Requires Improvement by Ofsted.
- Group C – where there is insufficient evidence of strong financial controls, where the size of the Academy restricts their ability to operate strong controls, where there is a lack of skills or any other concerns. It may also apply to academies that have been rated as unsatisfactory by Ofsted.

The Board of Directors determines on an annual basis which delegation group each academy is in. It will take into account any recent Ofsted inspections, reports from the Audit Committee in relation to internal and external audits and recommendations from the Chief Executive Officer and Chief Operating Officer.

After taking into account the resent Ofsted reports and the financial reports / performance it is proposed that on approval of this policy that all Academies are treated as Group A for delegated authority purposes.
